**Subject:** Alabama Attorney General's Comment Letter Re: EPA's proposed NPL listing of "35th Avenue Superfund Site"

Dear Randall,

On October 23<sup>rd</sup>, Alabama Attorney General Luther Strange wrote Administrator Toney on behalf of the State of Alabama objecting to EPA's proposed listing of the "35<sup>th</sup> Avenue Superfund Site" on the National Priorities List. Thus far we have received no response from EPA to the Attorney General's objections, nor has EPA given any indication as to whether it intends to grant the numerous requests for an extension of the deadline to submit public comments, which ends on November 21<sup>st</sup>.

Given the significance of EPA's impending action, we would greatly appreciate a prompt and expeditious response to the Attorney General's letter as well as an announcement as to whether the agency intends to extend the comment deadline in this matter.

We look forward to hearing from you soon.

Sincerely,

**Robert D. Tambling**
